

Be a St. Columba School Partner - Invest in Our Children's Future through E-Scrip!

"E-Scrip" is a program where participating merchants will make contributions to St. Columba School, based on purchases made by you, just by using your Vons card. The program works by parents, friends, relatives, and community members registering their cards in the program and then shopping at Vons. Vons gives a percentage of all purchases back to St. Columba School. It's really that simple!!!! All we need to do is register your Vons card into the St. Columba School account.

Just fill out this form and place it in the offertory basket or give to the school office:
