

**St. Columba School
Athletic Program**

Dear Parents and Students:

Sportsmanship: Sports are an important part of the total educational program at St. Columba School. All players are expected to show good sportsmanship as both spectators and players. You are encouraged to cheer enthusiastically in support of our team. However, keep in mind that it is considered poor sportsmanship to try and discourage the opposition from doing its best.

We need to remember as a school community that we are guests wherever we play, so we need to take care of the facilities and clean up before we leave. Participation in the athletic program is a Privilege not a Right.

Commitment: A commitment to field a number of players and teams are made to the league organizer from the St. Columba sign up list. Please take into consideration whether or not you are willing to commit to being at practices and every game as well as staying academically eligible before you sign up.

Participation Fee: There is a \$40.00 (\$50.00 for basketball) participation fee per sport for the after school programs. The cost of running the sports program has necessitated this charge, however no one will be prohibited from participating if this presents a hardship. **Please make checks payable to St. Columba School.**

Refundable Uniform Deposit: There is a \$25.00 uniform deposit fee. A check will be made out to St. Columba School and will held until the conclusion of that sport. When the uniform is returned cleaned, the check will be returned to you. **Please make checks payable to St. Columba School.**

Sincerely,
Mrs. Geraldine Nau

I agree to participate under the stated policy. I understand I must commit to being present at practices as well as every game.
